Paletter Collector Indie Jaspe, \$120, presents five eye shades in a beautiful case. Silver is at the heart of the matter – use it all over or as a liner, then mix and match the surrounding iridescent shades of greens, peach and yellow-gold.

cc cream scene

There's a lot going on in **Manuka Doctor** Apirefine CC Cream SPF20, \$39.95: it's a foundation that works with all skin colours (use alone or under make-up), and it offers sun protection and anti-ageing ingredients derived from nature, such as purified bee venom and organic cactus extract.

on a roll

**Clinique** Pep-Start Eye Cream, \$49, has a spherical applicator that disperses the lightweight cream that brightens and refreshes tired-looking eyes.

eyes on you

**Blinc** Mascara Amplified, \$44.95, is a new take on mascara. It creates micro-tubes around lashes to lengthen and define. The best bit: no smudging or flaking, and removal is as simple as a bit of warm water and a gentle rub. Panda eyes be gone.

dry high

Talk about multi-purpose: **Ambiance** Dry Shampoo is a natural, vegan dry shampoo that also conceals thinning hair, creates volume and covers grey and regrowth – all with no water or hairdryer required, so it's perfect for travel.

kiwi kiss **Antipodes** Kiwi Seed Oil Lip

Conditioner, \$25, can be used as a primer and conditioner under lipstick, or as a colourless hydrating balm.

mix and matte

Rich, matte, smooth creamy colour with the ease of a crayon and with no sharpener required is delivered by **MAC** Velvetase pencils, \$44, in 12 bold shades.

pure bouquet

New Zealand-made **Purity** Fragrances, \$35/9ml; \$129/50ml, are natural, eco-certified essential-oil-based eau de toilette sprays which are synthetic- and ethanol-free, so they are ideal for anyone wanting to avoid artificial ingredients. Perfectly Me is a citrusy floral, My Moment is an oriental floral, and Happily Mine a green, earthy floral.

capital skincare

Quality ingredients that are good for the planet and the creatures living on it are some of the principles of **Tailor**, a Wellington-based skincare company. The eight core products can be mixed and matched to suit, and include a terrific detoxing Masque, \$33.75, an effective Balm, \$17, which dry skin and lips just love, and a Dry Cleanse powder, \$28.75, that is mixed to a paste to use on problem areas.
